Overview

Dangur LLC is a sophisticated, systems-design and cybersecurity-focused contracting firm specializing in the modernization of complex, mission-critical digital infrastructures. We transform legacy platforms into secure, accessible, and high-performing digital services.

Differentiators

- **100% Workforce Retention:** Exceptional team stability ensures project continuity and deep institutional knowledge for long-term contracts.
- **Proprietary AI Assessment Platform:** Custom methodology for evaluating and implementing AI readiness within federal frameworks.
- **Proven Federal Record:** Direct experience architecting platforms for the Internal Revenue Service (IRS), Department of State (DoS), and Department of Transportation (DOT).
- **Rapid Scale & Surge Support:** Immediate 24/7 availability for critical system support and technical surge requirements.
